May 2025

Grade 7 Badge Ceremony

A heartfelt congratulations to our Grade 7 learners, who received their Grade 7 badges during a special ceremony that was a first for our school. This milestone marks the beginning of their journey to their school and the end of their primary school journey, and we are confident they will continue their education journey with integrity and responsibility.

Honoring Our Legacy

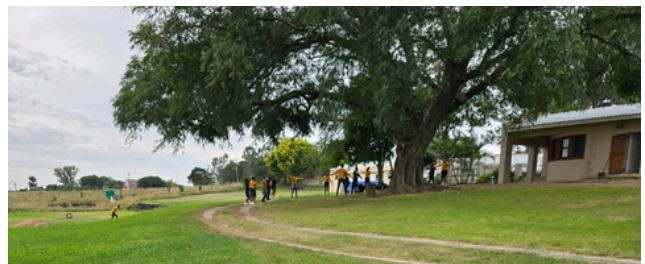

This month, we celebrated Founder's Day at both the High School and Primary School with hearts full of gratitude and pride. It was a truly special occasion marked by unity, reflection, and inspiration.

We were incredibly blessed to welcome our Founder, Gaye Stilwell, and her twin brother—who traveled all the way from Canada and joined us in commemorating this meaningful event. Their presence reminded us of the deep roots and divine purpose upon which the school was built 27 years ago!

Exam Season

As we head into exams, we encourage all our learners to stay focused, do their best, and trust in their preparation. We are praying with you and cheering you on!

A Time of Need

We also humbly share that we are facing a challenging financial month. Our current income is insufficient to meet all of May's operational expenses, including staff salaries. We ask our community to stand with us in prayer for provision, wisdom, and breakthrough. Every bit of support, whether spiritual or practical, is deeply appreciated.

"Unless the Lord builds the house, the builders labor in vain." – Psalm 127:1
Thank you for walking this journey with us.
